

How will you know which camp is the best fit for your child? There are a number of factors to consider. Among the most important questions to ask, however, are whether the camp will have activities that appeal to your child, and how comfortable you both are with the camp environment. When it's the right one, kids have a great time and come home with many happy memories. Check out our holiday camp directory for camps offered during the Christmas break.

ALLIANCE FENCING ACADEMY

At Alliance Fencing Academy, we're focused on providing a rewarding experience that will build confidence, reinforce teamwork and inspire the personal growth necessary for your child to take the next step in life.

CAMP ALLEN PRESENTS

Christ in the Carols Advent Retreat

DECEMBER 6-8, 2019

This weekend retreat provides a meaningful time of inspiration, encouragement, reflection, and prayer during Advent. We'll take a closer look at some of the best-loved carols and how they point us to the Gospel, the source of hope for our past, present, and future. Participants will also find opportunities to enjoy Camp Allen's pristine acres, outdoor activities, wreath-making, and a special Christmas carol sing-along. Oh come let us adore Him!

Nationally known speakers Andrew Lazo and Christin Ditchfield Lazo return to guide us to a fresh encounter with Christ through beloved carols of the Advent and Christmas season.

Retreat Rates: \$335 Single Occupancy
\$265 Double Occupancy

Packages are priced per-person and include two nights of hotel style lodging, six buffet meals, and programming.
